OTHM UK

OTHM Qualifications is a globally recognised awarding organisation based in the United Kingdom. It is approved and regulated by the Office of Qualifications and Examinations Regulation (Ofqual) in England. OTHM develops and awards high-quality professional and academic qualifications across various sectors with the aim of supporting learners, employers, and training providers worldwide.

Progression Opportunities

OTHM qualifications are designed to provide clear academic and career progression. Learners can progress from diploma levels to top-up degrees, postgraduate diplomas, and even full Master's and Doctorate programs at many U.K. and international universities.

At PCTL Training Institute, we are proud to be working with OTHM to provide learners with qualifications that not only prepare them for immediate employment but also give them access to prestigious universities and higher levels of study worldwide.
